

We Make The Cut!

KS-426 panel & cable saw

Features

- 5.0 amp pistol grip, variable speed, 2500 RPM motor.
- Replaceable tool steel saw blades.
- Cuts C.R. mild steel 16 gauge and lighter, plastic and other rigid materials up to ¼" and aluminum to 1/8".
- Slits thin-walled metal clad cable to aid in stripping.
- Leaves a milled, ready to fabricate finish without burning the material.
- Lightweight and easily maneuverable.
- Plunge cuts into the middle of the material.
